

# DD Council Five Year Strategic Plan Revision

## From the Adult Issues Committee:

1. Add to: the **Housing** Area of Emphasis as a new objective under **Goal #2** “Promote Awareness of Universal Design Housing”:

“Coordinate with Delaware’s No Tech Schools to do service projects involving universal design such as building a house using the basics of universal design and building ramps for people with disabilities in need of them, etc. **AI** in conjunction with the Universal Design Coalition and the Delaware-Maryland Paralyzed Veterans Association.

2. Add to: **Community Supports Goal #2:** Improve self determination for people with developmental disabilities.

**Objective 4:** Advocate to change the law concerning Drivers Education so person with disabilities can receive Drivers Education instruction up to the age of 21 when they age out of school: Currently Drivers Education is not provided to anyone after the age of 18.
